It's a very common problem parents face. Do you know what she's watching or playing on there? If you're not sure, that's okay. Next time before asking her to stop, try something different: "Mind if I join you on this? It looks interesting." Kids love sharing what they care about. After 10 minutes together, not only you will know more about her but also joining her space first will allow her to understand you. Over time, Moxie will learn to recognize
